

## **HPMC OMS Receives Three-Year AAAHC Accreditation**

HPMC Occupational Medical Services has received a three year term of accreditation from the Accreditation Association for Ambulatory Health Care, Inc. (AAAHC).

For over 35 years, AAAHC has been the leader in accreditation for ambulatory care organizations, and the AAAHC Certificate of Accreditation is widely recognized as a symbol of quality. During the onsite survey, the physician surveyor noted and appreciated the organizations' commitment to providing the best possible care and service to its patients, attention to detail, and determination to be the best at what it does.

As the award letter from AAAHC stated:

"Granting accreditation reflects confidence, based on evidence from this recent survey, that you meet, and will continue to demonstrate throughout the accreditation term, the attributes of an accreditable organization as reflected in the standards found in the Accreditation Handbook for Ambulatory Health Care. The dedication and effort necessary for an organization to be accredited is substantial and the compliance with those standards implies a commitment to continual self-evaluation and continuous improvement."

HPMC Occupational Medical Services did an outstanding job in attaining AAAHC compliance and accreditation, and we are very proud of this significant achievement.
